

Customer Connect

Our commitment to you

April 2023

Creating more places for people to thrive
and be recognised as a sector leading landlord.

Our **vision** at Your Housing Group is to offer an excellent customer experience, and making every contact you make with us as easy as possible for you.

All our customers should be able to access the service they need, in the way they want to, at a time that suits them.

Our commitment to you

We want to ensure that we get things right first time so that every time you get in touch, it matters and makes a difference.

We have a number of customer care service standards which set out how we will communicate with you. This includes:

- When you call us, we will offer you the option to receive a call back if this is more convenient for you
- If the person who you need to speak to is not immediately available, they will call you back within two working days
- We will provide a digital service for those of you that prefer to access our services this way, and we will provide support to customers in order to access this
- We will treat you fairly and ensure that any information you give us is only used in compliance with the relevant data protection legislation
- We will provide a translator, signer, or information in another format such as audio, large print or braille as required
- We will communicate with you in your chosen language
- When you contact us by email, we will respond by email if appropriate, within two working days (if you are making a complaint, this falls under its own standard, so response times may vary depending upon the timeline of the complaint)
- When you write to us by letter, we will respond within 10 working days
- If you contact us via social media, we will respond within two working days, if appropriate.

We will be regularly training all of our colleagues who work directly with you, to ensure they understand and respect our values and our customer offer

Our Service Standards

Our offer to you for each of our core areas of the business is detailed in our Service Standards.

These are five standards which explain what we will do for you and what we look to from you, in return. The areas covered include:

Repairs and maintenance service

Allocations and lettings

Antisocial behaviour

Customer complaints

Tenancy management

You can read them all in full here:

Your View

We will continue to regularly ask all customers for your views on our services.

We will do this by:

- Using surveys following repairs or other services
- Carrying out general perception surveys to seek customer views
- Offering a feedback service, where customers can easily give feedback on the services they receive
- Reporting the results of your feedback on an annual basis to both the **Regulator of Social Housing** and our customer base via our newsletters.

Your Voice

Connecting and empowering you.

We will actively support and promote a range of ways for all customers to engage with us, both formally and informally. You can read all about these in our **Customer Engagement Policy** available here www.yourhousinggroup.co.uk/yourvoice

Currently, we have in place:

Customer Services Committee (CSC)

Our **group of residents** who work with governance and decision makers.

Customer Connect Panel (CCP)

Our **group of residents** who oversee and influence how services are shaped for the communities we serve.

Customer Scrutiny Panel (CSP)

Customers who review specific elements of our business and make recommendations for improvement.

Tenant Satisfaction Measures (TSMs)

We are now required by the **Regulator of Social Housing** to report and publish key information known as the Tenant Satisfaction Measures (TSMs) which share how we are performing and how satisfied our customers are across a range of areas.

We will work with both the CSC and CCP to measure the TSMs, and link them to Service Standards too, where possible. Some of the measures will be captured naturally, however, in our annual **STAR (Survey for Tenants And Residents)** survey and by our performance information. We will report and publish on the measures illustrated on the next page.

And finally, we will continue to share our **Customer Annual Report** as well as an impact assessment to demonstrate how customers have worked with us to give their views, influence services, and approve policies.
